SCHOOL NEWS

ELEMENTARY SCHOOL
The day entertainment, "Pageant of the Year" will be given Feb. 24 by the Elementary School.
Mrs. Husted's room keeps the thrift banner again this month. They have had the banner four months in succession.

There are some changes in the personnel of the faculty for the new semester. Miss Tate, kindergarten director, has gone to the 6th street school in Los Angeles. Mrs. Baker, who was out on leave of absence, has returned. Mrs. Gillmore has taken a leave of absence. Miss Husted, formerly a teacher in Moneta has been assigned to a vacancy in our school, after a leave of absence. Miss Godwin, who is a local resident has transferred from Dominguez to our school. Mrs. Bond of Los Angeles has a second grade room.

Mrs. Anderson, deputy registrar of voters, visited the school Monday during the noon hour and registered the teachers.

This is Edison week, commemorating the birthday of Thomas Edison. Many of the rooms observed this event by special features of exhibits stressing the activities given the nation by this great inventor.

Tuesday was one day expressly for the children, one to which they look forward every year. Each room had a beautiful Valentine box, decorated mostly by the children. All day one could see excited boys and girls going from room to room posting Valentines. In the afternoon the boxes were opened and juvenile postmen delivered the Valentines.

The teachers had a Valentine luncheon in the Home Economic building in honor of the new teachers added to the faculty this semester.

Wednesday, Feb. 22, is Washington's birthday. An assembly program will be given in the auditorium by Miss Thomas' room, in memory of George Washington and Abraham Lincoln.

Other classes now running are typing, bookkeeping, shorthand, Spanish, Business English, Mathematics, dressmaking, auto-shop and machine shop, woodshop and cabinet making, English for foreigners, gymnasium for men and gymnasium for women. There is also a late afternoon class in gymnasium for business men who cannot attend in the evenings. It meets on Tuesday and Thursday afternoons at 5 p. m.

Tonight is the regular "Gift Night."

Saturday, Tom Mix in "Tumbling River" is booked with two promising comedies: "Westward Whoa" and "Buster, What is Next." Saturday is Gift Night.

With three names that mean as much as do George O'Brien's, Virginia Valli's and J. Farrell MacDonald's in a single production, most directors would be content to call it a cast, but Allen Dwan has added at least seven other celebrities to the payroll of "East Side, West Side," the Fox Films production which shows at the Lomita Theatre Sunday and Monday, February 19 and 20.

"Ben Hur," in all its scintillating glory comes to the Lomita next Tuesday and Wednesday, February 21 and 22. The management announces that they are compelled to advance the prices for Ben Hur to 15c and 35c, on account of the tremendous cost of making this super-spectacle; but that these advanced prices will be charged on Ben Hur days only.

IN SOCIETY

MISS PANGBORN BRIDE OF PRESTON ROBERTS
Miss Jessie Lois Pangborn of Lomita and George Preston Roberts of Wilmington were married last night at 8:30 in their own handsomely furnished home at 1806 West G street, Wilmington.

The young couple entered the living room to the strains of the wedding march, played by Miss Tuttle of San Pedro, and Gordon Groves, junior, of Lomita, and stood in a bower of almost blossoms as Rev. Louis Evans, pastor of the Wilmington Presbyterian church read the ceremony in the presence of the two families and a few intimate friends.

The bride, attired in white taffeta, with veil, was attended by her sister, Miss Lucile Pangborn, who wore orchid taffeta. The groom was attended by Leo Sidebotham, of Lomita.

At the close of the ceremony, a wedding cake and other refreshments were served to the following guests: Mr. and Mrs. W. S. Pangborn, Miss Lucile Pangborn and "Billy" Pangborn, the bride's sister and brother; Mr. and Mrs. C. P. Roberts, the groom's sister, Miss Claudia Roberts; Lawrence Hippenstiel, uncle of the groom; Miss Gladys Antle, Gordon Cline and Leo Sidebotham of Lomita; and Miss Doris Corey and Ben Scott of Lomita.

Mrs. Roberts, Narbonne '26, is the daughter of Mr. and Mrs. Warren S. Pangborn of South Oak street. Following her graduation from Narbonne she attended the Chouinard School of Art in Los Angeles. Mr. Roberts, Narbonne '24, is the son of Mr. and Mrs. Claude P. Roberts, former owner of the Torrance Herald and Lomita News, and now publishers of the Wilmington Press.

On their return from a brief honeymoon trip, Mr. and Mrs. Roberts will be at home to their friends at the G street address.

EVENING SCHOOL

A new semester is just getting under way and nearly all classes are open for new students. The only new class started is that in printing. This class meets on Wednesday and Friday evening and offers a good foundation for the art of printing. Herbert Andrews is the teacher.

The only genuine A. C. (Alternating Current) sets on the market employ the new type "A. C." tubes—either Cunningham or Radiotrons. Atwater Kent, Kolster, Zenith, and Crosley all use the same new "A. C." tubes which have been tried and proved to be the only satisfactory method of using house current direct for radio operation.

If a so-called "electric radio" still employs battery type tubes it is by that very fact still behind the times. Do not be confused by uptown advertising. Investigate first! Simply ask when you buy your next radio—does it use the new A. C. tubes?

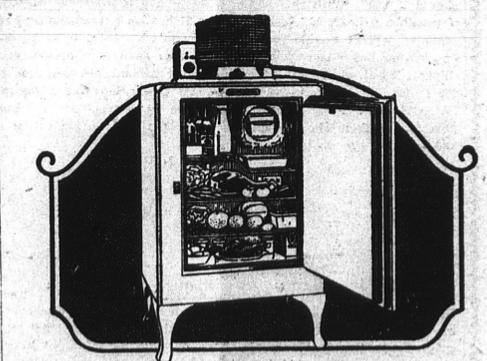

Right prices, right terms, and the lowest carrying charges on the coast.
